Dear _____,

We are APEX¹ Volleyball, and we're excited to offer your business a unique advertising opportunity while supporting young athletes in their journey to play volleyball at the collegiate level. By partnering with us, your business will gain exposure through placement on player warm-ups, our official website, and across our fast-growing social media platforms—which reached over 602,000 views in the past month alone—all while receiving a potential tax deduction as a recognized sponsor.

Our mission at APEX¹ is to develop not only high-performing athletes but also student leaders who are prepared to succeed in college both on and off the court. Every dollar raised helps cover the significant costs of club volleyball—travel, uniforms, tournaments, and training—that can otherwise hold athletes back from showcasing their talents to college recruiters nationwide.

With your support, we can ensure that no dream is deferred due to financial barriers. In fact, thanks to generous sponsors like you, APEX¹ athletes have gone on to compete at prestigious collegiate programs across the country.
