We have an exciting opportunity that will allow you to receive a tax benefit for advertising your business on our warm up jackets, social media accounts, & official club website. By participating in this opportunity, you will also assist in sponsoring our players.

Our vision for APEX¹ is to set all players' standards to the collegiate level. Our mission is to assist & ensure that all our players not just compete at a high level but also help them advance in their academic careers. We want their dreams of playing collegiately to become a reality.
