

2023-2024 Sponsorship

We are Apex1 Volleyball, & we hope you will allow our club to advertise your business! We have an exciting opportunity that will allow you to receive a tax benefit for advertising your business on our warmups, social media accounts, & official club website. By participating in this opportunity, you will also assist in sponsoring our players.

Our vision for Apex1 is to set all players' standards to the collegiate level. Our mission is to assist & ensure that all our players not just compete at a high school level but also help them advance in their academic careers. We want their dreams of playing collegiately to become a reality.

To help our players reach their goals & dreams of playing collegiately, we need your help! By taking part in this amazing opportunity you will not only be able to sponsor a player but our whole club, coaches & staff will be able to represent you nationally.

Sponsorship Packages:
